This meet will be **pre-seeded for all Saturday and Sunday Sessions**, except for races 200 meters and longer which may require positive check-in. Positive check-in is required for those events, swimmers must check in to be seeded. Failure to check in may result in not being allowed to swim if there are no empty lanes. Distance events (400 meters and longer) may be seeded alternating girls and boys heats, fastest to slowest. Distance events may be combined (scored separately) to reduce the number of heats.
